## 5Strands® Affordable Pet Testing Case Study Outline

We appreciate your feedback regarding your experience with 5Strands® Affordable Pet Testing! Please also provide a before and after photo of your pet! We understand that by providing this information you are granting permission for us to share your story on 5Strands® Affordable Testing's websites, social media and in marketing materials.

**Pet's Name:** Mica

**Pet's Breed & Sex:** Labrador Retriever

**Describe condition of pet and/or symptoms before using *Affordable Testing*.**  
Chronic diarrhea for a year.

**What type of food was your pet eating prior to testing (i.e. kibble, raw, frozen, freeze dried, etc.)?**  
Kibble

**Describe the results of *Affordable Testing* (i.e. number and/or examples of items reported as intolerances, insight gained, etc.).**

It was extremely helpful. I've referred 5strands to the Silver Lab Facebook group. I do wish you would test pineapple.

**What elimination plan did you implement (i.e. foods eliminated and/or changes in environment, timeframe, etc.)?**

Using the results, we prepared the foods she could tolerate and the immediate positive consequence was miraculous.

**Describe the condition of pet and/or symptoms after the elimination plan.**

Chronic diarrhea was eliminated. We're trying to feed small amounts of kibble and wet food as it costs us \$6.00 per day to food human grade salmon.

**What is your impression of the *Affordable Testing* process and results of the elimination plan (i.e. length of time to receive results, quality of customer service, value of information gained, etc.)?**

The information was invaluable. My dogs personality has also changed with the dietary changes.
