5Strands® Affordable Pet Testing Case Study Outline

We appreciate your feedback regarding your experience with 5Strands® Affordable Pet Testing! Please also provide a before and after photo of your pet! We understand that by providing this information you are granting permission for us to share your story on 5Strands® Affordable Testing's websites, social media and in marketing materials.

Pet's Name: **Bear Nitti**

Pet's Breed & Sex: **French Bulldog, Male**

Describe condition of pet and/or symptoms before using *Affordable Testing*.

Erythema and edema to muzzle, licking paws, skin lesions, hair loss, discharge in ears, malodorous breath and body

What type of food was your pet eating prior to testing (i.e. kibble, raw, frozen, freeze dried, etc.)?

Various kibble brands

Describe the results of *Affordable Testing* (i.e. number and/or examples of items reported as intolerances, insight gained, etc.).

Multiple food intolerances noted...additionally only protein not intolerant to was turkey

What elimination plan did you implement (i.e. foods eliminated and/or changes in environment, timeframe, etc.)?

Switched to fresh food delivery – My Ollie brand Turkey recipe because it only had one ingredient listed that he had an intolerance to...eliminated some treats

Describe condition of pet and/or symptoms after the elimination plan.

Almost immediate improvement – no edema/erythema to muzzle, less paw licking, no more hair loss, lesions healing, no odor, no discharge in ears

What is your impression of the *Affordable Testing* process and results of the elimination plan (i.e. length of time to receive results, quality of customer service, value of information gained, etc.)?

Affordable Testing provided excellent customer service, timely results and invaluable information that has profoundly impacted my pet's health for the better. He is the healthiest and happiest I've ever seen him! Thank you!
