## 5Strands® Affordable Pet Testing Case Study Outline

We appreciate your feedback regarding your experience with 5Strands® Affordable Pet Testing! Please also provide a before and after photo of your pet! We understand that by providing this information you are granting permission for us to share your story on 5Strands® Affordable Testing's websites, social media and in marketing materials.

Pet's Name: **Scooby**

Pet's Breed & Sex: **Male Pitbull**

Describe condition of pet and/or symptoms before using *Affordable Testing*.

**Scooby had skin rashes and huge bumps. Constantly itching at feet and butt.**

What type of food was your pet eating prior to testing (i.e. kibble, raw, frozen, freeze dried, etc.)?  
**He was eating grain free kibble with ¼ raw, bone powder and omega additive**

Describe the results of *Affordable Testing* (i.e. number and/or examples of items reported as intolerances, insight gained, etc.).

**He has an issue to at least 1 ingredient in the 4 food items he was getting. Also intolerant to every animal type except chicken plus 4 grains including wheat.**

What elimination plan did you implement (i.e. foods eliminated and/or changes in environment, timeframe, etc.)?

**Still looking for food to accommodate. May have to go to chicken and rice.**

Describe condition of pet and/or symptoms after the elimination plan.

**Have not yet begun**

What is your impression of the *Affordable Testing* process and results of the elimination plan (i.e. length of time to receive results, quality of customer service, value of information gained, etc.)?

**Great Company, we would have spent \$1000 to see an allergy specialist to have a skin test done. And they would not have even tested for so many things.**
